

## Holy Communion

### Holy Body of Jesus

(... ..)

I ask you **in the name of My Son Jesus Christ**, that in your Churches, **only Priests and deacons who are about to be ordained** may distribute Holy Communion! Do not hurt the Sacred Heart of My Son Jesus even more! **Every Priest is held accountable to My Son!** Some Priests sit comfortably in their chairs and let the laity distribute the Holy Body of My Son. **Priests must offer My Son's Body to the faithful kneeling and in the mouth**. My Son Jesus said: **stop with Communion in your hand and stop receiving standing up, because no one can touch His Holy Body**, except the consecrated hands of the Priests.

My children, Jesus Christ also said: I **communicate to My Bishops and Priests: only My servant Priests can open the Tabernacle and carry the chalice with My Body, and not a lay person!** My Heart is terribly wounded! Each servant, Bishop, Priest and every person who lives on earth **will be held accountable at the Court of God** for all of this. So, God the Father, I the Son, and the Holy Spirit, **will bless those who obey Me and My Mother!** Be united with the Holy Church and pray a lot for My servants, Bishops and Priests, **so that they distribute My Body, only on the knees and in the mouths**.

My dear little children, make sure **that this message is urgently disseminated to Bishops, Priests and all children throughout the world**. Thus, everyone will help Me to save the nations that are threatened and are full of sins that offend the Love of God.
